OBJECTIVE

Aspiring to secure a challenging position in a dynamic production or warehouse environment where I can utilize my technical knowledge, hands-on experience, and strong teamwork skills to improve operational efficiency, maintain quality standards, and contribute to the company's goals.

PROFESSIONAL EXPERIENCE:

Powder Coater –

Kuntz Electroplating Inc. (KEI), Kitchener (08/2024- 01/2025)

- Racking of parts for painting, ensuring proper handling of powder-coated and uncoated parts.
- Maintained a clean workspace following 5S standards.
- Inspected painted parts, cleaned and packed them into shipping boxes to meet quality standards.
- Performed 3-M finessing, and selective sanding on reject parts for recoating.

Production Associate-

Polycon Industries, Guelph- (02/2024 – 08/2024).

- Performed grinding, sanding, and polishing to achieve high-quality finishes.
- Inspected and corrected defects to meet product specifications.
- Ensured compliance with Quality Management and Environmental Health & Safety standards

Machine Operator-

Johnson Electric Canada Ltd (Stackpole), Stratford- (01/2023 – 02/2024)

- Assembled products, loaded and unloaded materials from furnaces, Press.
- Set up and optimized machines, by ensuring safety and environmental standards.
- Monitored equipment performance, and performed quality inspections of parts.
- Made necessary adjustments to equipment or processes to correct defects.

SKILLS & APTITUDES

- Proficient in machinery operation and setup.
- Expertise in precision measurement, troubleshooting, and programming.
- Strong problem-solving, communication, and teamwork abilities.
- Knowledge of safety standards, lifting practices, and hazard reporting.
- Ability to quickly learn and adapt in dynamic work environments.

EDUCATION

- **Postgraduate Diploma in International Business** -Conestoga College, 09/2023 – 08/2024
- **Bachelor of Commerce** - Mahatma Gandhi University, Kerala, India- 2015 – 2018
