📍 Kitchener, ON

## SUMMARY

- Enthusiastic Front-End React Developer with 2 years of experience in building responsive, high-performance web applications.
- Proficient in modern web technologies including React, JavaScript, HTML5, and CSS3.
- Strong problem-solving skills and a passion for delivering user-centric solutions.
- Adept at collaborating with cross-functional teams to deliver projects on time and within scope.

## EXPERIENCE

Software Developer

**Delphi Technology**

📅 06/2024 📍 Toronto, ON

- Developed a component-based design system using Figma, streamlining the product design process.
- Implemented a responsive design that improved mobile users' experience by 40%.

Co-Owner and Manager

**Twice The Deal Pizza**

📅 10/2016 📍 Elmira, ON

- Entrepreneurial Leadership
- Strategic Marketing
- Financial Management

Front End Developer

**American Family Insurance**

📅 10/2015 - 08/2016 📍 Madison, WI

- Developed and maintained interactive web applications using React and JavaScript, resulting in a 20% increase in user engagement.
- Collaborated with UI/UX designers to implement responsive designs and improve overall user experience.
- Utilized RESTful APIs to integrate data from backend services, enhancing application functionality.
- Optimized web performance, reducing page load times by 15% through code splitting and lazy loading techniques.
- Participated in daily stand-ups and sprint planning as part of an Agile team, contributing to efficient project workflows.

Junior Front End Developer

**TDS Telecom**

📅 01/2015 - 09/2015 📍 Madison, WI

- Assisted in the development of dynamic web applications using HTML, CSS, and JavaScript.
- Implemented UI components and features based on wireframes and design specifications.
- Debugged and fixed issues reported by QA, ensuring smooth functionality across different browsers.
- Contributed to code reviews and provided feedback on best practices and coding standards.
- Engaged in continuous learning to stay updated with emerging technologies and industry trends.
